Dear Senator Hutchinson

I desperately need your help to restore my civil rights. Many years ago, while a young man, in the United States Air Force, I made a serious mistake and committed a crime for which I was court martial and placed in prison.

Since this mistake, I have turned my life around using the skills taught me by the Air Force, and concentrated all my time and effort toward building a successful automobile repair business just off Highway 67/167 in Sherwood. I am married, the

I am really sorry for this misdeed and have applied for a Presidential Pardon that is pending before the Pardon Attorney in Washington, D.C. As I said, I really need your help. I would like to meet with you in person to more fully explain the circumstances about my past and hopes for the future. I have exhausted all other efforts and everyone has been supportive of me in this cause to be able to vote again, to obtain a permit to hunt game, etc. Please give me a few minutes of your valuable time to discuss my situation. Thank you and God Bless you.

Sincerely,

March 2 Weber

Dear Senator Hutchinson:

This responds to your letter of August 24, 2001, enclosing a copy of a letter from your constituent, Mark Lewis Weber, who requests your assistance in obtaining a presidential pardon.

Mr. Weber's application for presidential pardon is currently under consideration. The processing time for a pardon application can be lengthy, and we can give no assurance that final action will be taken by the President within a particular time frame. Accordingly, we are unable to advise you when Mr. Weber may expect a decision on his application. He will, however, be notified promptly when this occurs.

We appreciate your interest in Mr. Weber's clemency case.

Sincerely,

A handwritten signature in dark ink that reads "Roger C. Adams".
